LANEY, BRADENTON, FL

Priced at \$123 sq/foot, this home is the Best Value in West Bradenton and is perfect for owner occupants or investors who can see the incredible potential in this property. This Unique, Two-story house has all the charm of an Old, West Side Bradenton home including the classic fireplace as the main focal point when you walk through the front door. Of course, updates have been made over the years to make it feel newer, but it will need your special touches to restore it to its former glory. The home features 3-5 bedrooms depending on your needs, 3 full baths, and 2548 sq/ft. A garage conversion added space and 2 bedrooms, and one of them has a separate entrance with a full bath so it could be a perfect in law suite. The kitchen opens up to a sunken family room with sliders to the exterior. There is a large, screened lanai that opens to the big fenced yard which is just over a quarter acre. If you are looking for an affordable home that could be so much more, then add this one to your list. The roof was replaced in 2018 and the upstairs AC was replaced in 2019 and the downstairs AC was replaced in 2024. This is a great Bradenton location with proximity to Downtown Bradenton, Anna Maria Island, and Bradenton area beaches. Easy to show. Multiple offers received.
