BRADEN POINTE PH I, BRADENTON, FL

Do you love the fantastic location of Braden Pointe between Bradenton and Sarasota but don't like the smaller new units with no view and no privacy? Well, this unit is the answer! This home is significantly larger than most new units being offered now and has a BEAUTIFUL view of the lake and fountain from your Great Room and screened lanai. The water feature is lit beautifully at night. Very few units have this much privacy! This two-story, all concrete block constructed townhome has an open concept downstairs that includes a large open kitchen, a powder room, and a large family room that overlooks a covered lanai. The kitchen features gorgeous off white stone counter tops and stainless appliances. You will love the walk-in pantry as well as the large closet under the stairs. This home features a lot of storage. The second floor includes a spacious Primary Bedroom with ensuite, a walk-in closet and additional closet. The upstairs features two additional bedrooms, a full bathroom, a laundry area and a linen closet. This home comes equipped with all appliances, including a stainless-steel refrigerator, built-in dishwasher, electric range, microwave, washer, and dryer. Don't forget the attached garage for your convenience. This home was lightly lived in by one person for part of the time it was owned so it will compare very favorably to new, but with a much better site with great views and privacy!
