Lovely updated kitchen with nearly new appliances and beautiful hard surface counters. The best part - the countertop has been made into a single level for more working and entertaining surface! There is a separate large pantry closet adjacent. The living area offers plenty of natural light with Sliders to the lanai overlooking the fairway plus a windowed area for a kitchen table. A separate dining area rounds out the space. The home feels warm and welcoming with the neutral decor and bead-board accents. New ceiling fans in the living area and the master bedroom are just a hint of the great surprises in this unit. The primary bedroom includes a walk-in closet and an en-suite bathroom with new fixtures. The second bedroom, across the hall, features a double closet and adjacent bathroom. Inside Laundry area and protected carport (plus plenty of guest parking) are also a great feature.
