Land on 10.00 Acres

N/A, BUSHNELL, FL

HIGH and DRY! (Even through two hurricanes!) Those words are gold in the state of Florida! Come see this stunning 10 acre piece of pristine land, in one of the most gorgeous parts of Sumter County. This sprawling parcel is fenced on three sides, (it needs to be fenced on the west side). The property is level, lined on the east side with oak trees, has a private road to the South to enter into the gates has a lovely view in all directions. Watch the sun set behind the trees in the evening and rise over the oaks in the early mornings. There is nothing like watching the fog lift off a pasture as the sun comes up, and this my friends, is the place to do it! This parcel is home to two pole barns circa 1901-ish. Come and build your home, bring your horses, cows, chickens, whatever animal you love, and build your homestead here! The parcel is close to I-75 and all shopping and restaurants but won't make you feel like you are "in town"! 20 minutes from the villages, and 1 hour from Orlando, Tampa, and Ocala. Make your appointment today with your realtor to see this lovely piece of the country!
