Have you been searching for the perfect home with a great location, ample space, and privacy? Look no further! This home, situated on one of the community's largest lots backing onto a conservation area, offers the tranquility of no rear neighbors. Why wait for a new construction on a small lot when you can move right into this beautiful home and enjoy the space to spread out or even add a pool?

Located just a short distance from both Downtown Mount Dora and Downtown Tavares, this barely lived-in home was built in 2021 with 2910 square feet and features 5 bedrooms, 3 1/2 bathrooms, and a 2-car garage. Situated at the end of a cul-de-sac, this home offers privacy and a quiet setting. The current office space can easily be converted into a 6th bedroom if needed. The foyer leads to an open-concept kitchen and living room. The kitchen boasts ample storage, a pantry, and all stainless-steel appliances are included. There are two master suites, one downstairs and one upstairs. The other 3 bedrooms are located upstairs along with an additional bathroom and a huge sitting room, perfect for a second living room or a study area. Upgrades include a fully fenced backyard, tile floors throughout most of the downstairs, and ceiling fans in all rooms. Some builder warranty still remains. This home is a must-see!
