This property is eligible for 100% Financing through USDA! If you seek a home with luxury finishes in a quiet neighborhood, then welcome home. This 3-bed 2-bath home is the former model home for the development of The Meadows and is filled with upgrades. This is the only home in the neighborhood offering a 2-car garage and two connected screened-in patios. Double-pane windows allow natural light to pour into the home while keeping the home better insulated. Enter the home, and your eyes are drawn to the luxury vinyl floors, then up to the high ceilings where crown molding and tray ceilings frame the space. The large kitchen offers stainless steel appliances and a raised sink with a beautiful window overlooking green space. Crown-molded cabinets and a pantry provide plenty of storage, and the kitchen island looks out on the living room. The large dining space allows you to host family gatherings and holiday events, and the 2nd living space is perfect for a 2nd seating area or desk/office space. The large primary suite has floor space for a king-size bed and wall space for multiple dressers. The primary bath offers a dual vanity with a large soaking tub, a separate shower, and a large walk-in closet. The indoor laundry room is perfectly tucked away near the 2nd and 3rd bedrooms. Outside, the screened-in patio flanks the back and side of the house and is directly connected to the garage. The garage is large enough and tall enough for plenty of storage and parking for 2

cars. The community pool is available when you want it. Come and make this beautiful house your own and feel the calm of living here.
