KILLARNEY BAY CONDO, WINTER PARK,
FL

Welcome to lakefront living at its best! This lovely direct lakefront condominium is nestled on the shores of Lake Killarney with breathtaking views from almost every room. This unit was the original model featuring 2 bedrooms, 2.5 baths, Cathedral ceilings throughout, crown molding and a spacious screened in balcony overlooking the lake. The balcony is the perfect spot to enjoy your morning coffee or a cocktail in the evening while watching all that nature has to offer. The floor plan has a nice open feel with a generous great room for living/dining and showcases a lovely wood burning fireplace. The kitchen is so spacious featuring granite countertops, stainless steel appliances, wood cabinets, breakfast nook and two openings so you can enjoy the view while cooking. The generous primary bedroom has incredible lake views, two closets, a door to the balcony and a spacious bathroom with a large updated shower and dual sinks. There is also a full attic with easy access where you can store all your holiday décor. The secondary bedroom is an en suite featuring a spacious vanity and tub. Enjoy the convenience of an indoor laundry closet with room for a full-size washer and dryer, and a beautiful powder bath is located just off the living room. Many recent updates include; all new luxury vinyl flooring, all new hardware, designer lighting and mirrors, entire interior painted, ceiling fans and new dishwasher. HVAC (2018) and Water Heater

(2019). Killarney Bay is tucked away off the beaten path; however, it is one of the most walkable locations in the area being only one block from the newly updated Winter Park Village with all its wonderful shops and restaurants, and many more restaurants and shopping along N. Orlando Ave, including Publix and Trader Joe’s. Do not miss this opportunity to live in this beautiful waterfront community featuring a community dock and pool along the lake. There are only a handful of lakefront units and they do not come up very often.
