One or more photo(s) has been virtually staged. Price Reduced! Donâ€™t miss the opportunity to make this stunning 4-bedroom, 3-bath home spanning over 2,800 square feet, your very own! With its open-concept layout and high ceilings, this home exudes both elegance and comfort, creating the perfect setting for both everyday living and entertaining. The gorgeous tile and prego flooring add style and durability throughout, while the gourmet kitchen, featuring newer stainless steel appliances, granite countertops, and a convenient breakfast bar, is a chefâ€™s dream! Whether you're hosting dinner parties or enjoying a quiet meal, this kitchen will be the heart of your home. The good-sized bedrooms offer plenty of space, and the primary suite is a true retreat, with a walk-in closet and an ensuite bath with double sinks for extra convenience.

Youâ€™ll fall in love with the remaining modern bathrooms â€“ one of which, like the master, also features double sinksâ€“along with thoughtful fixtures and finishes throughout the home. Enjoy the beauty of plantation shutters adorning the Pella windows and Pella siding doors with built-in blinds, which offer both privacy and easy maintenance. The roof is brand new in 2024, and the hot water heater was replaced in 2020, so you can move in with peace of mind. With two A/C units, comfort is guaranteed year-round!

But thatâ€™s just the beginning! Imagine working from home in your dedicated office space or spending your days on the spacious, fully screened back porch. Thereâ€™s plenty of room for relaxation, and if you dream of having your own private oasis, thereâ€™s space to add a pool! The property also features a fully fenced backyard, offering a serene and secure environment. And letâ€™s not forget the charming "she shed" in the backyardâ€”this cute space is complete with double-paned windows, A/C, insulation, and its very own sun deck, and the roof tile matches the house! Perfect for a studio, craft room, or playhouse, this addition is a dream come true!
