EXQUISITE RESIDENCE IN THE VIAS! This custom-designed home features 4 bedrooms, 3-full baths and sophisticated touches of elegance throughout. The modern design philosophy blurs the lines between the interior and exterior spaces of the home and creates a cohesive feel that's open and airy. Built with SMART home technology, the home is outfitted for thermal efficiency and uses a LUTRON lighting system, central vac system, as well as a home audio and security system. High-end interior finishes include white oak floors, La Cantina Panoramic doors, a chef's kitchen with SUBZERO and WOLF appliances, and a luxurious primary bedroom with spa en suite, complete with an oversized jetted tub. Motorized, retractable screens on the lanai lift to reveal a magnificent resort-inspired backyard. Summer kitchen, heated saltwater pool, a 9-hole mini golf course, and perfectly manicured landscaping by Keller Outdoors all blend to create the perfect private oasis. Located within one of Winter Park's most desirable neighborhoods, the Vias offer picturesque brick streets for walking and proximity to the Racquet Club and Chain of Lakes.
