Residential on 0.24 Acres

LAKEVIEW RESERVE, WINTER GARDEN,
FL

Welcome to this stunning 4-bedroom, 2-bathroom pool home located in a private, gated lakefront community just minutes from downtown Winter Garden and the West Orange Trail. Perfectly positioned within the GOLF CART DISTRICT, this meticulously maintained residence—built in 2001—offers deeded access to Lake Apopka along with quick access to the 408, 429, and Turnpike.

The exterior boasts a freshly painted facade completed in September 2023 by ColorWorx, new downspouts and gutter guards added in August 2023, and a professionally installed retaining wall with a French drain system completed in the same month. Thoughtful backyard upgrades include a stone border around landscaped areas, pea gravel pathways, and refreshed landscaping completed between 2020 and 2021. A custom-painted outdoor building with loft storage and a heavy-duty ramp was added in September 2023, along with a cedar garden shed installed in 2020.

Inside, the home features fresh interior paint (August 2023), brand-new carpet, and custom closets. French doors lead to a stunning screened and heated pool area with a rock waterfall, sunshelf, lush landscaping, and new screen panels installed in April 2023. The pool is solar-heated, ideal for year-round enjoyment.

The kitchen includes granite countertops, a brushed nickel faucet, updated outlet and switch plates, and upgraded chandeliers in the dining, kitchen, and breakfast areas. Ceiling fans with lights are installed in the formal study, family room, primary suite, and two additional bedrooms. The main entry door features an elegant brushed nickel handle and lock (installed March 2025).

The garage includes a sealed and painted interior, pull-down attic access with a plywood floor, and loft storage. Two TV wall mounts (in the primary bedroom and kitchen) and an oversized doggy door provide practical additions for daily living.

This home also offers a fully maintained irrigation system, a private backyard with a full privacy fence, landscape lighting in both front and back yards, and programmable colored pool lighting with remote control for added ambiance. Curtains for the window will stay with the home. Safetouch security equipment is installed and ready for the next owner’s setup.

Combining modern updates, privacy, and prime location, this move-in-ready home is a rare opportunity in one of Winter Garden’s most desirable gated communities.
