DEER RUN UNIT 23B, WINTER SPRINGS,
FL

This thoughtfully updated 4-bedroom, 2.5-bath home in Tuskawilla Forest offers a layout that works, updates where you want them, and a peaceful backyard that feels like your own little escape—overlooking a pond with no rear neighbors.

Inside, you’ve got formal living and dining rooms up front and a relaxed family room in the back with views of the screened-in pool and water beyond. The kitchen has been recently updated with new appliances and includes a cozy breakfast nook that brings in lots of natural light.

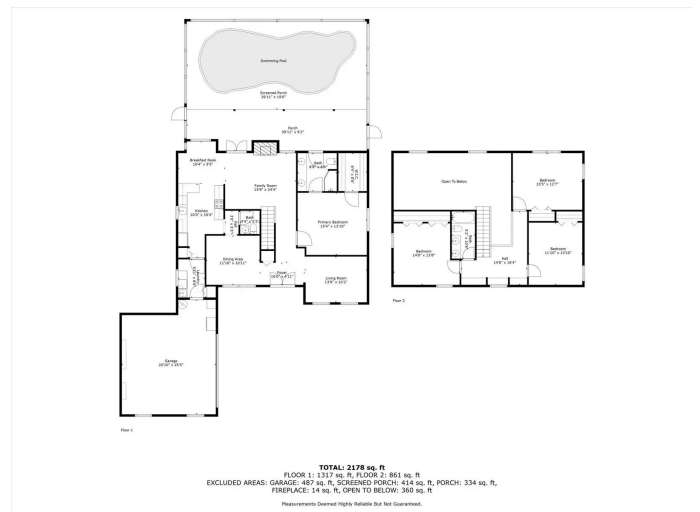

The primary suite features an oversized walk-in closet and an updated bathroom with double sinks and a clean, classic shower. Upstairs, you'll find three more bedrooms, a shared full bath, and one of the home’s coziest corners—a built-in reading nook at the top of the stairs.

Step outside to a covered patio and screened pool area that’s perfect for winding down or hosting a low-key weekend hang. No rear neighbors means extra peace and quiet.
