3 Bedroom, 2.00 Bathroom, 1,736 sqft

Residential on 0.31 Acres

HARBOUR RIDGE, WINTER PARK, FL

Nestled in one of Winter Park's peaceful neighborhoods with ***NO HOA***, this meticulously upgraded 3 bedrooms, 2 bath pool home plus 2 versatile bonus rooms, perfectly blends modern comfort, sustainable living, and timeless charm. With two vacant city-owned lots directly to the west, the property enjoys uninterrupted golden sunset views that fill the home with natural light. The exterior showcases a thoughtfully refreshed soft grey paint complemented by elegant slate ledgerstone accents on both the front and rear, reflecting true pride of ownership. A sleek, durable ****METAL ROOF**** installed in 2022 enhances curb appeal while offering long-lasting protection, and a full ****wraparound PVC privacy fence**** enclosing the property. The main living area boasts tile floors flowing seamlessly throughout the family room, dining and leading into a kitchen that serves as the heart of the home. Granite countertops, custom wood cabinets, stainless steel appliances come together in a space that's both stylish and highly functional. A Bright Bonus Room off the Family Room, is the perfect space for entertainment or casual retreat. Smart upgrades like a Nest thermostat and programmable KASA light switches allow for effortless, energy efficient control of your environment. The spacious primary suite boasts an updated bathroom and connects through French doors to a versatile bonus room, ideal as a home office, nursery, or private retreat, featuring its own closet and a wall-mounted

AC unit for personalized comfort. The two additional bedrooms share a full modern bathroom featuring a bathtub. This home is packed with features designed for sustainable, efficient living. Energy saving windows were installed in 2016, while a new HVAC system and upgraded ductwork in 2021 ensure year-round comfort. Twenty-two owned LG solar panels, added in 2022 (owned and fully paid), reduce energy bills to an average of around \$30/month and also provide eco-friendly pool heating. Two additional panels with Enphase inverters are included for future expansion. A tankless water heater adds even more efficiency, providing endless hot water on demand while saving on energy costs. A 2023 installed whole house water softener and a generator ready plug wired into the electrical panel offers backup power when needed. Additional smart home conveniences include eight hard-wired surveillance camera ports and full home lighting and climate automation. Plus, this home is completely smoke-free and pet-free. Step outside to your private backyard retreat. A full landscape redesign, paired with a three-zone irrigation system, creates a lush, easy-to-maintain setting. The oversized screened pool enclosure (2022) includes a high-performance super gutter and 400 feet of integrated LED lighting, perfect for evening swims and lively gatherings. Enjoy outdoor living to the fullest with a solar heated pool and shower, a 10x12 gazebo, a 5x7 barbecue gazebo, and a large wooden playground complete with overhead canopy support beams. Fruit lovers will appreciate the mature avocado, apple, mandarin, orange, and pineapple trees! Lovingly transformed over the years, this one-of-a-kind home is a rare find where modern upgrades meet everyday comfort. Listing Price based on a recent professional appraisal, this is your chance to own a truly exceptional property in a quiet, sought-after

Winter Park neighborhood. Come experience the lifestyle youâ€™ve been waiting for!
