3 Bedroom, 1.00 Bathroom, 1,176 sqft

Residential on 2.00 Acres

NOT IN SUBDIVISION, BRONSON, FL

Check this one out....just oozing rural charm and character....waiting on you to make it yours!! Though much of the home has been completely renovated, all the good ol' stuff is still intact, including the original wood floors, wood plank ceilings and beams.! Renovations include the 2023 metal roof, plumbing, new windows, new bathroom and all new kitchen and appliances! This home is much larger than what you see from the outside...with three bedrooms, dining, formal living with fireplace...and don't forget the front and back porches!!! All this along with 2 acres of land makes this property appealing to almost anyone! More land could be cleared, but there is currently plenty of room for a few horse paddocks just like it is. Don't overlook the good sized pole barn on the back side of the property that could serve any number of various purposes; equipment storage, small pens or stalls. Located just south of Bronson, and approximately 7-8 miles to Black Prong Equestrian Center. This one won't last long!!!!

Built in 1945
