HOMEWOOD SUB, WINTER HAVEN, FL

PLAN TO SEE this attractive home that offers a very livable floor plan with open concept and split bedrooms. The interior architectural interest and visual appeal complement this 3 BD/2 BA home that offers a neutral palette and vaulted ceilings that enhance the sense of openness. Nestled in a quiet, well-established neighborhood, the home is mainly finished with lux vinyl floors, ceiling fans and granite counter tops. The main focal point of the living room is the decorative fireplace wall with shelving, while French doors open expanding the living area to a screened lanai. A formal dining room stands near the cheerful kitchen thatâ€™s outfitted with plenty of cabinetry, granite countertops and stainless steel appliances. Retreat to the master en suite where French doors lead onto the lanai and handy placement of a dual sink vanity gives the bathing area privacy and easy access to the walk-in closet. The split bedroom plan has the additional bedrooms sharing a full bath with single sink vanity. Lounge, relax or entertain guests on the large screen lanai of the big backyard that is fenced in, yet, offers a deep view into the trees at the back of the lot. Definitely make plans to see this attractive home and enjoy its peaceful location and easy access to SR-Hwy 60 and other main thoroughfares for all daily necessities.
