Under Construction. Welcome home to the Daintree. Perfect for those desiring a spacious home, the Daintree offers four bedrooms, three bathrooms, a den, upstairs flex room, and a 2-car garage.

Entering the extended foyer gives you a preview to how much space is available in the Daintree

Grand stairs lead up to the second story, and a laundry room sits off to the side with cabinets for conveniently storing important items.

Additional storage sits under the stairs, perfect for a drop room area or a closet to stow seasonal items.

A bathroom and bedroom sit on the opposite side of the hallway, and the bedroom features two large windows and a full walk-in closet.

Heading down the foyer, you enter the kitchen and great room area. The kitchen has plenty of beautiful cabinets and countertop space with a full walk-in pantry for easy, additional storage.

Walk through sliding glass doors to the perfect Florida backyard.

Off to the side of the main area, a den sits in a

quiet and tranquil corner of the house. The owner's suite also sits on this wing of the house with plenty of windows that create an open and airy bedroom. Stepping inside the tranquil owner's bathroom, there are dual vanities, a separate water closet, linen closet and large walk-in closet. Heading back down the foyer and upstairs, the second story features a spacious loft. Turn this area into a play room or home theater for movie nights. With the loft open to below, it creates tons of height and makes the space feel even larger. A nook sits in the second story, perfect for a card game area or homework center.
