Under Construction. Welcome home to the Juniper. A sprawling 2-story dream, the Juniper features an open-concept floorplan with 4 bedrooms, 3.5 bathrooms, a den, a bonus room, and a 3-car garage.

Head through the covered entry into the first floor of this grand home. A den and powder room sit on one side, and a laundry room is on the other. A spacious open floorplan gives you the best of both worlds with a formal and informal dining space that looks directly into the great room. Just waiting for a cozy couch for lazy Saturday mornings or Monday night football, youâ€™ll love how the great room looks out to the covered lanai.
