Restrictions may apply. January Completion! The open-concept Grenada floorplan at Indigo Creek features generous square footage, several upgrade options both indoors and out, and attractive features throughout. The Grenada is immediately inviting, with a central common area that holds the great room, kitchen, and casual dining area. The home features a tray ceiling, large island and a step-in pantry. The primary suite, tucked away at the back of the home, includes an elegant bedroom, finely appointed bath with dual sinks, large shower and private water closet, and an over-sized walk-in closet. With three secondary bedrooms, you can accommodate visiting guests, a large family or transform one into the craft room you've always wanted. The bedroom at the front of the house offers direct access to a full bath. The other two secondary bedrooms share a bathroom that is conveniently close to the laundry. The lanai can be reached through a pocket sliding door from the great room which expands your living space into the yard. Structural options include: tray ceilings, gourmet kitchen, shower in lieu of tub in bath 3, pocket sliding glass door, 8' interior doors, and custom paint.
