Photos shows staged unit. STAGING WAS REMOVED SINCE THERE IS ONLY 2 UNITS LEFT FROM THE 6 TOTAL. All interior units are exactly the same. UNITS AVAILABLE TO VIEW AT THIS TIME ARE #4 and #2 . The Woodrow was designed with space and convenience at top of mind by Tampa Architects, OWA. Each home reveals a three-story elevation with private courtyards, open floor plans, and contemporary features. Private enclosed courtyard, spacious two-car garage, private vehicular alley access at rear of building, large windows to allow for natural lighting, sizable balcony off the main living space, stone countertops and vanities, high-end natural finishes, gas appliances, built-in wine refrigerator, laundry room with skylight and built-in millwork for storage and countertop space. All the appliances and equipment are the top of line, most expensive possible, best of the best our architect could find, come with great warranties and factory service. Light-filled primary suites are punctuated by expansive windows and five-star finishes inspired by the elements. Beautiful hardwood floors sweep the bedroom space in refined style. Primary bathrooms flow with ease from the double vanity through to the elegantly tiled walls. Your ground-level private terrace is perfect for outdoor grilling, sunbathing or relaxing. With the convenience of an additional bonus room/office space in ground floor, you can retreat from family activities to work at home.
