1/2 acre LOT on a CORNER with a detached workshop in the back with power and water, carport & storage shed. NO HOA! 4 bedrooms and 2 bathrooms with a POOL and POOLHOUSE! This floor plan is unique and flexible. The family room is tastefully finished with nice luxury vinyl and a French door backdrop that leads into the primary bedroom suite. En suite bathroom with tub and a huge walk in closet. The kitchen is garnished with wood cabinets, tin back splash and slate countertops. Character carries through to the breakfast room with brick facade wall and another set of French doors that frame the pool and entertainment deck. The third bedroom is right off of the kitchen area- French doors make it a transitional space perfect for sleeping or for a home office. Brick pavers line the pool and lead to a covered wood deck- all blend together to create the perfect space for outdoor fun at the fire pit, grilling or sun bathing area - lots of extra space for outdoor dining and relaxing. The POOL HOUSE, with its' cedar walls, provides room for a bar, foosball, pool table OR you might even use it for a fifth sleeping area as it is air conditioned by a wall unit. The fun does not stop at the pool though - walk on out to the detached workshop with metal roof, concrete floor, water, electric and a separate storage area
