Residential on 0.26 Acres

IMPERIAL PARK, CLEARWATER, FL

City of Clearwater's former Neighborhood "House of the Quarter" is in search of new owners. The moment you pull up to this fine home, you'll know it's something special. Prepare to be impressed. I guarantee, it's only the beginning. The professionally landscaped yard reflects the pride of ownership this home is offering. Minimize your weekend yardwork with owner friendly plants & landscaping. The paved walkway leads you to beautiful double front door. A second paved pathway leads to the side garage door & a sitting area. Upon entering the home, the front foyer offers a landing place for your keys, the mail or your favorite family photos. This renovated home offers an extra large living area that is open to the gourmet kitchen. Tastefully decorated, the engineered hardwood flooring (throughout most of the house), dimmable canned lighting & crown molding provide a great setting for watching your favorite shows, relaxing with a great book or entertaining with close friends. Have fun with your favorite games too. It doesn't get any better. Outfitting your living room space will be a breeze in this fine home. French doors in the living room leads out to another great place to gather. The screen enclosed pool & lanai are designed for having plenty of outdoor activities throughout the year. The pool & spa were refinished several years ago, and the screen enclosure was professionally painted & rescreened. Don't forget to check out the firepit area.

Another quiet place to relax. The kitchen was reimagined into what a top chef would love to have, including a natural gas stove top for the precision cooking you won't get on an electric stove. The counter space is second to none. Dinner parties are a breeze and clean-up is even easier. The high bar area offers extra seating for holiday dinners. The dining area is spacious and can handle a variety of dining room furniture. It also features French doors to the lanai. The hallway offers a large freshly painted pantry closet that allows you to store up on your favorite non-perishables and kitchen gadgets. Both secondary bedrooms are ample sized rooms with plenty of closet space and the updated guest bathroom is bigger than most bathrooms you'll see on the market. The spacious master bedroom with ensuite is the perfect place to end your day. An abundance of closet space is one of many nice features included in the bedroom. Another set of French doors also lead out to the lanai. Sneak out for a late night swim or hop in the spa & relax for a bit. The renovated master bathroom offers a large bathroom cabinet with lots of storage space. The spacious walk-in shower is also impressive. The owners have addressed all the big ticket items, so you won't have too anytime soon. They include Tile roof 6/2012; Pitched lanai roof 10/2012; A/C system 3/2013; Kitchen remodel, including all stainless steel appliances 10/2013; Impact Windows throughout 5/2019; Plantation shutters in all three bedrooms; Pavers & driveway 2/2021; Natural Gas Water Heater 9/2018; Custom Master Closet; Screen Enclosure repainted/rescreened & brought up to wind codes in 2020; Outside exterior of the home painted in 2020; Extra 5.28¢ of R19 cellulose insulation added in the attic; Located walking distance to Plumb Elementary, Oak Grove Middle & Clearwater High School and close to dining, entertainment, shopping, the

beaches and more. Schedule your private showing before this beautiful home is gone.
