GANDY GARDENS 10, TAMPA, FL

Pride of ownership shines with this well-maintained and thoughtfully redesigned and refreshed South Tampa pool home. This home sustained no damage from the 2024 hurricanes and is move-in ready. Entering the front door, the kitchen and dinette area are to the left and the living area is to the right. Quartz counters, soft-close cabinets and drawers, pantry drawers, breakfast bar, under-cabinet LED lighting, an exterior access door, and stainless steel LG appliances collectively make this kitchen space both comfortable and functional. The dinette area features built-in cabinetry with quartz counters for added surface space and storage. The living area includes an electric fireplace and built-in shelving with accent lighting. The primary suite features dual closets, a custom built-in alarmed valuables safe, and an en-suite bathroom with an exterior door that leads directly to the pool deck. The primary bathroom offers granite counters and a walk-in shower. The second bedroom is currently finished as a custom office with granite counters that is tandem with the primary suite, and is entered into to provide access to the primary suite. The doorways could be returned to their original positions if the new owner wishes. The third bedroom features a custom built-in window seat with storage. The laundry closet is inside the home near the kitchen and exterior door and includes the washer and dryer. Tankless water heating adds convenience and efficiency to this home.

Driveway, walkway, and pool deck pavers have all been recently re-sealed (2025). The AC was replaced (2023). The roof was replaced (2020). The home is fully fenced with white vinyl fencing and the side access gates are combination locked while the back gate is key-locked. The pool has been resurfaced with quartz and features programmable LED lighting (2019). The home security system and cameras all stay with the home, and offer coverage of the entire outside of the home as well as the inside front of the home. The shed 12'x13' is painted to match the home and offers additional storage. There is irrigation in the front yard, and separate secondary irrigation in the back yard. Retractable awnings provide coverage as needed while also easily storing when not in use. This home backs up to a small canal that leads out into Old Tampa Bay. Just steps away from Robinson High School and Bobby Hicks Park, this home is centrally located in South Tampa very near Picnic Island Park and Picnic Island Beach Dog Park. Just a short drive from MacDill Air Force Base, downtown Tampa, marinas, restaurants, and entertainment this home showcases comfort, convenience, and location while being free from HOA or CDD requirements. Come see South Tampa living!
