Waterfront Opportunity “Your Dream Home Awaits!

This is your chance to create the perfect waterfront retreat! This spacious 3-bedroom, 2-bathroom home is a blank slate, ready for your vision. The damaged drywall and flooring have already been removed, leaving a clean canvas to customize to your style. Electrical and A/C have passed inspections, so the major systems are in place.

Featuring large rooms, a propane fireplace, and a 10-ft deep saltwater pool with a brand-new pump and solar heat to extend the swimming season, this home has great bones and endless potential. The property previously had a dock“while it's no longer there, the existing pilings show the original footprint, and water and power were available at the dock.

With tile flooring in the main areas and no appliances currently in place, this home is primed for a full transformation. Whether you're an investor or a homeowner looking to design your own waterfront masterpiece, this property offers incredible value and opportunity.
