The kitchen in the front has TWO SINKS and TWO refrigerators. There's a small WINE CELLAR that can hold a few hundred bottles, a STEAM SHOWER, and an OVERSIZED GARAGE. A flex space next to

the main bedroom can be used as an office, gym, game room... you name it. Like the outdoors? The pool area may as well be the highlight of this property. Huge paved pool deck with a FULLY RENOVATED POOL HOUSE with its own FULL BATHROOM and OUTDOOR KITCHEN, NEW POOL EQUIPMENT too. Parts of this space receive lots of sun, and parts are in almost constant shade; this area is a true blank canvas of possibilities for a garden or hardscape. Back inside, sit by one of your TWO FIREPLACES (Family room and Dining room), or spend some time in the HOBBY ROOM - a special corner of the house perfect for all the messy things we love to do and hate to clean -it can also work as an additional storage room! The location is perfect, and the neighborhood is great; you don't want to miss this unique home with its one-of-a-kind layout that allows creative souls to create a space that is personal and special, versus the cookie-cutter homes found everywhereÂ else.
