One or more photo(s) has been virtually staged. Southwood Hills, conveniently located near the intersection of Kings Ave and Bloomingdale Ave, is a NON HOA community of freestanding homes. This 1979 construction block home sports a newer roof, a newer AC system, four full bedroom and a two car garage in an area where three bedrooms and one car garage is the norm. Freshly painted on the interior, coupled with the wonderful technology of luxury vinyl plank flooring throughout the home, this property is anxious to meet it's new owners and see what memories they will create there. Available for a fast close, private showings available.
