TYSON SUB, ZEPHYRHILLS, FL

Affordable comfort meets classic Florida living in Zephyrhills! This move-in-ready gem is perfect for first-time buyers, snowbirds, or anyone looking to downsize without sacrificing charm or location. Thoughtful renovations in 2022 and 2023 introduced stylish, flowing tile floors (2022) throughout the entire home and a more open, functional floor plan. </p>
 A large picture window and oval glass insert in the front door fill the spacious living room with natural light, highlighting wood-look tile flooring and a modern ceiling fan. The 2023 kitchen and dining room makeover features crisp shaker-style cabinetry with contemporary hardware, granite countertops, sleek stainless steel appliances, and updated plumbing and lighting fixtures. The concrete block Florida room was insulated in 2022, transforming it into a true all-seasons space. With windows on three sides and a glass-panel exterior door, this room is bathed in natural light by day and enhanced by recessed lighting at night. Each of the two spacious bedrooms offers windows on two walls for abundant natural light, along with ceiling fans to keep things cool and comfortable. The front bedroom is especially generous in size and features custom paint colors and ample closet space. The updated (2023?) bathroom includes a new vanity, modern mirror, and upgraded plumbing and lighting fixtures. A built-in linen closet adds convenience and extra storage. </p>
 The garage has been thoughtfully converted into two separate spaces, but could easily be

restored to a traditional one-car garage if desired. One side is currently used as an office or den – perfect for a media room, homeschool setup, guest space, or even a quiet retreat. The other side functions as parking for toys and storage for lawn equipment but would also make an excellent workshop or hobby space.

Enjoy peaceful mornings on the front porch, overlooking a generously sized and beautifully landscaped front yard. Out back, a private retreat awaits - fully enclosed with newer (2022) vinyl fencing. Multiple seating areas create the perfect setting for outdoor entertaining, while offering space for four-legged companions to roam freely.

Situated on nearly a quarter-acre, this charming Zephyrhills home combines space, comfort, and location. Just minutes away, you'll find Hercules Park, Zephyr Park with its popular Waterplay splash pad, the Zephyrhills Library, Krusen Skate Park, and a variety of other recreational amenities. Schools, shopping, a theater, a bowling alley, and dining options are all conveniently nearby - making this home as practical as it is appealing. The home has weathered recent storms with no reported flood or wind damage - offering peace of mind along with comfort. Plus, with no HOA or CDD fees, you'll enjoy the freedom and affordability that come with true homeownership. Whether you're starting out, settling down, or looking for a low-maintenance Florida home, this one checks all the boxes. Let's get you through the door. Schedule your private showing today!
