Residential on 0.16 Acres

PEBBLE CREEK VILLAGE UNIT 6 RE,
TAMPA, FL

This home is right in the heart of New Tampa in the always popular Pebble Creek neighborhood, and it has no CDD. That alone makes it a rare find in this area. The home offers almost 2,000 square feet with 4 bedrooms and 2 bathrooms, plenty of room for family living or just some extra space to spread out. Inside, the main living areas have beautiful laminate wood floors and the bedrooms have fresh carpet. The kitchen has new counters, sink, and backsplash. The bathrooms have new counters and sinks, and the exterior has fresh paint with a refreshed pool deck as well. The roof is less than 3 years old, so you won't have to worry about that anytime soon. Out back, the private pool area is exactly where you'll want to be, perfect for soaking up the Florida sunshine or hosting friends and family. You're also just minutes from dining, shopping, and everything New Tampa has to offer. This isn't just a house. It's a move-in ready home with upgrades in all the right places, in one of the most desirable neighborhoods in Tampa.
