3 Bedroom, 3.00 Bathroom, 2,183 sqft

Residential on 8.00 Acres

N/A, BROOKSVILLE, FL

Welcome to 8 acres of untamed enchantment—where winding paths, towering oaks, and the soft rustle of Spanish moss set the tone for a life less ordinary. Nestled at the end of this secluded sanctuary lies a once-beloved 3-bedroom, 3-bathroom cottage spanning 2,183 square feet, yearning for revival and ready to tell its next story.

The home is rich in character, with cathedral ceilings and exposed beams that stretch toward the sky, anchored by a towering brick fireplace that radiates rustic charm. The great room invites light through its dramatic gable windows, and just above, a cozy loft lined with bookshelves offers a quiet perch to dream, write, or reflect.

The kitchen and dining areas echo the warmth of simpler times, and though worn with age, they offer the bones of something timeless. Outside, a weathered metal roof and wooden siding add to the home's old-soul charm—imperfect, but full of potential for those who see beauty in restoration.

Step beyond the cottage, and your world expands. A sprawling 8-acre parcel surrounds you—peaceful, private, and brimming with natural wonder. Whether you envision a garden, a homestead, or simply a retreat from the world, the land is your canvas. A large storage barn adds practical value and versatility for projects, animals, or creative

endeavors.

Yes, this home is in need of serious rehab. But for those with vision, heart, and a love of nature—it’s a rare chance to create something truly magical.
